## **Life on MAR party in Park City**

One-year anniversaries aren't the stuff of legacy, to be sure. They are, however, signs of

life and staying power all the same. When it opened its doors May 20, 2008, Gallery MAR burst out of Park City's gates early to make as wide an impact as possible, hosting "Wine Wednesdays," and representing more than 30 artists. The official celebration won't come until July 3, but now's the time to get acquainted if you haven't already. On display (until they're sold) you'll find oil paintings by artists Ron Russon, Penelope Moore, Ryan Brown, and mixed media and oil works by Mary Scrimgeour. Think of Gallery MAR as another fine excuse to stroll Park City's Main Street.
